YPSILANTI, MICHIGAN, APRIL 18, 1929

NUMBER 26

THE WORLD THIS WEEK

Detroit Is Dean At Smith College

News of the appointment of their daughter, Miss Marjorie Nicolson, as dean of Smith College, Northampton, Mass., was received Monday by Mr. and Mrs. Charles B. Nicolson, 853 Gladstone Avenue.

Miss Nicolson is well known in Detroit as she was a member of the faculty of Northwestern High School for two years and a graduate of Eastern High School. She received her B. A. and M. A. degrees at the University of Michigan.

She taught in the University of Minnesota two years, and at Goucher college and Johns Hopkins university in Baltimore. She received her Ph. D. degree at Yale University, and there was awarded the John Addison Porter prize which she is the only woman student to have received.

While in Baltimore she was first on the list of the Guggenheim fellowship, which gave her a year of research in England and on the continent. Upon her return from Europe two years ago, Miss Nicolson assumed a professorship in English at Smith College, where she has been since.

Marines to Attack Nicaragua Bandits

Bluefields, Nicaragua — Captain Herbert Rose and a detachment of marines left here by airplane today to locate and attack a group of outlaws, under General Pedron, which has been operating in the neighborhood of Jinotega since before the recent elections. General Pedron's band was reported on its way to the east coast and near San Pedro del Norte. The marines will reinforce El Gallo on the Rio Grande, which lies on the route of the outlaws to the east coast.

Hoover Is Invited To Outdoor Show

Efforts to interest President Herbert Hoover in the first Detroit Sportsman and Motor Boat Show, to be held at Convention Hall, April 20 to 27, took definite shape yesterday, when a formal invitation was sent to the chief executive.

The Greater Detroit chapter of the Izaak Walton League of America, of which President Hoover is one of the most active members, and also a past president, is behind the movement. Of greatest interest to President Hoover will be the bait and fly casting tournament, as the president is the foremost exponent in public life of the gentle art of angling.

Del A. Smith, general manager of the Detroit Street railways, and president of the local chapter of the Waltonians, yesterday sent the following telegram to President Hoover:

"The Greater Detroit chapter of the Izaak Walton League of America extends a most cordial invitation to our first Waltonian president to participate in the bait and fly casting tournament, which we are conducting during the Detroit Outdoor Life, Motor Boat and Sportsman show, from April 20 to 27. The 1,000 members of the Detroit chapter join with me in extending this invitation, knowing that our interests in the matters of conservation and sportsmanship are the same as yours."

Henry Ford Host to British Ambassador

Sir Esme William Howard, British ambassador to the United States, and Henry Ford hobnobbed for three hours yesterday and kept to themselves what they talked about.

The diplomat said simply he was profoundly interested in Ford's manufacturing methods.

"I would consider my education stunted if I did not see something of your city and the automobile industry," Sir Esme told reporters. "Mr. Ford invited me to come; I accepted the invitation with alacrity."

WOMEN'S LEAGUE PRESIDENT GOES TO NORMAN, OKLA.

DOROTHY CHAPEL ATTENDS WOMEN'S SELF-GOVERNMENT CONVENTION

CAMPUS PROBLEMS TO BE DISCUSSED

Three Hundred Student Delegates Will Be Present at National Conference

Dorothy Chapel, president of the Women's League, left Detroit Sunday for Norman, Okla., where she will attend the national convention of the Women's Self-Government Association to be held at the University of Oklahoma, April 16 to 20. Approximately 300 co-eds from 30 states are expected to be in attendance.

The Women's Self-Government Association is a national organization with chapters in 138 co-educational institutions of higher learning. Each school with a chapter of the association is invited to send delegates to the convention. A large percentage of the 138 schools mentioned above

have already registered delegates, both students and advisers, to attend.

Problems of co-educational life, problems of campus conduct with (Continued on page six)

MAY DAY ON GREEN PROGRAM PLANNED

OUTDOOR CLASSIC THIS YEAR TO FEATURE CREATIVE TYPE OF DANCE

This year, the annual May Day on the Green, which will occur during the last week in May, will be an entirely creative program. A Masque of Cinderella in pantomime and dance will take the place of the unrelated dances of former years. Students of the dancing classes will originate their own steps to selected pieces of classical music. Students from other gymnasium classes will, however, be brought into the program as far as possible. About two hundred fifty will take part in the performance with others in the organization. A group of Maypole dances will close the program.

The committee consisting of Miss Donnabel Keys, assistant professor of physical education, chairman, Ina Krumheuer of Grand Rapids and Ruth Wyckoff of Ypsilanti has been at work for two months perfecting the plans.

There will be four leading roles: Cinderella, the Prince, and the two sisters. For music, there will probably be two pianos, violins and cellos hidden in shrubbery.

Many novel accessories are to be employed in connection with the dances and the costumes, all of which will be made by the girls themselves, will be especially artistic.

The program, which will be given in the ravine back of the science building, will be at 6:30 p. m. instead of in the afternoon as formerly to permit business people of the town to attend.

NOTICE TO ENGLISH SPECIALIZING STUDENTS

Dr. Sanders wishes to meet all English specializing students within the next two weeks, between 10-12 and between 4-5.

There will be a notice posted on the door of the English office for students to sign up for the hour at which they wish to attend. These meetings will be for the purpose of outlining the next year's work.

FIELDING H. YOST ADDRESSES MEN AT UNION MEETING

FAMOUS MENTOR LAYS DOWN RULES FOR PLAYING GAME OF LIFE

Coach Fielding H. Yost of the University of Michigan came to the Normal campus Wednesday morning to give an address to the men of the college.

The famous mentor stated in opening that he liked to look at life as a game, apply the rules of a game to it, and to win or lose as in any other game. He said that the main objective of life, however, was Health and Happiness. "The successful man," stated Mr. Yost, "is the one who has his own self-respect, the respect of those with whom he associates, health and endurance, and who is of service to society and has received enough reward from this service to live comfortably."

"The real values of life cannot be purchased with money. Such values as love, honor, honesty, truth, courage, faith or friendship are obtained through useful service," stated the coach.

"No man," warned Mr. Yost, "will ever be rewarded for what he knows about a job if he does not do the job and make a success of it."

Mr. Yost expressed a belief that if we would all work for our best self-interests, we would benefit the world, for honesty pays big dividends and truth is a matter of being.

The object of everyone's life, according to the speaker, is to build a real man. "If we lose a day, we lose a day. We can't make up for a day lost in not being the best possible," he stated.

Coach Yost is a believer in the use of capabilities to capacity. Service, he believes, is the mother (Continued on page six)

KAPPA DELTA PI MEETS AT DINNER

Nearly twenty-five members of Kappa Delta Pi, national educational fraternity, met for a "Dutch Treat" at Roosevelt Wednesday evening. Following the dinner, Father Linskey of St. John's Catholic Church spoke to the fraternity on the subject of religion. He characterized religion in the mind of a certain group of people as similar to the spare tire on a car, saying that they do not think of it until it is badly needed.

Among the faculty members present were Dr. R. C. Ford, Dr. Pittman, Professor J. Milton Hoover, Professor J. Stuart Lathers, and Carl M. Erikson.

According to Dr. Gorton, the planet Venus, which has been so prominent in the western sky, is now passing too close to the sun for observation. Its next appearance will be during the morning hours before daylight during the latter part of May. It will be 584 days before Venus returns to the night position again. The planet Jupiter is still visible in the west and will continue to be for two or three weeks.

JUNIORS ARE FAVORED

At the end of the first day of competition in the inter-class track meet, the Juniors are leading the Freshmen by seven points, while the Sophomores and Seniors trail in the order named. The third year men are favored to cop the championship.

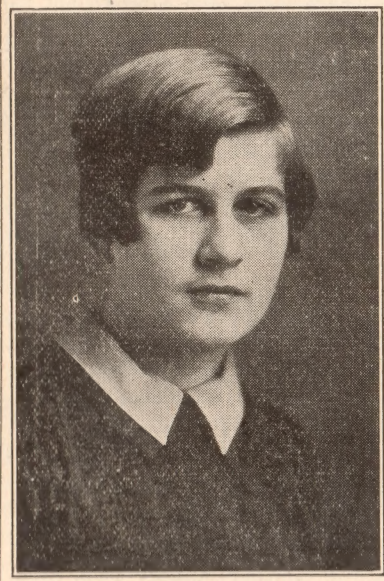

KATHERINE MERRY HIGHLY HONORED BY VOTERS' LEAGUE

NATIONAL LEAGUE OF WOMEN VOTERS INVITES CO-ED TO CONFERENCE

MISS MERRY ONLY CO-ED INVITED

Normal Student Goes to Washington in Recognition of Her Work

Katherine Merry of Pontiac, a sophomore on the campus, whose essay, "How to Get Out the Student Vote," descriptive of the method used in promoting absentee voting by the Student League of Women Voters, was awarded first place in a nation-

wide contest held recently, has been asked to attend the meetings of the General Council of the National League of Women Voters to (Continued on page six)

MR. ALEXANDER IS TO DIRECT CHOIR

On May 8, Professor Frederick Alexander, director of the Conservatory of Music, will direct the Massed Chorus Concert at Washington, D. C. He will also give four afternoon lectures on different phases of choral music.

The chorus which is composed of about four hundred voices is made up of the Church Music Council and the Federated Music Clubs of Washington. Professor Alexander was chosen as the guest conductor last fall. The first rehearsal was given during the Christmas holidays.

Mr. Clarence Dickinson of the Brick Presbyterian Church, New York City, was the first conductor.

Normal News Is Rated High Among Papers In Press Ass'n

"NEWS" SCORES 900 POINTS OUT OF 1000 IN THE NATIONAL CONTEST

The Normal College News received all-American rating in the ninth All-American Newspaper Critical Service and contest of the National Scholastic Press Association which was conducted recently.

This year's contest attracted 536 entries including the publications of universities, colleges, high schools and private schools. The rating of the papers is done thru the medium of a score book compiled by Edward M. Johnson, chairman of the department of journalism of the University of Minnesota.

The papers are rated according to the quality of work listed under five heads, with a total score of 1000 possible. News values and sources, news writing and editing, editorials and entertaining matter, and headlines, typography and make-up form these five points for judging.

The News received 900 points out of the total of 1000, which places it in the All-American Honor Rating, or superior paper class. Those usually receiving this rating

YPSILANTI PLACES SECOND IN PI KAPPA DELTA CONTEST

MEN HOLD FIRST SPRING MIXER IN WEST GYMNASIUM

BOXING, TUMBLING AND FIGHT PICTURES ARE ON EVENING'S PROGRAM

The men of the college met at 6 o'clock Wednesday evening in the west gymnasium and here showed their capabilities for devouring "hot dogs" and doughnuts. The feature of the eats were the paper plates with which an aerial attack was soon made.

President Smith of the Men's Union then introduced President McKenny of the college who told the men of the tendencies of the school superintendents throughout the country to pay more attention to high scholastic averages in securing teachers for their schools. He also warned them against overloading their schedule with too much school work and outside work as well.

The Ypsi gym team next proceeded to limber themselves on the (Continued on page six)

YPSI WOMEN HEAR LECTURE ON DRESS

"Improvement of Dress" was the subject of a demonstration lecture given by Miss Post of the J. L. Hudson Co. of Detroit, at the Women's League assembly held Wednesday morning. Miss Post was assisted by Miss Dibble and numerous girls from the college, the latter acting as models.

"Clothes are able to do something for us that we can accomplish in no other way," stated Miss Post, in introducing her subject. "They can be selected to bring out one's best characteristics and they almost change the entire personality. To dress in the best possible taste is the desirable and right thing to do."

Miss Post pointed out the four things to consider in selecting costumes—stature, coloring, personality, and individual problems. "Nearly every woman works out color in dress better than she does line, silhouette and proportion," continued the speaker. "The French women use less color than we do because they better understand line and proportion. Line may be either a matter of construction or of decoration but it must be rightly used."

HEIDELBERG IS VICTOR IN "PROVINCE OF LAKES" CONVENTION

YPSI RECEIVES 5 OUT OF 12 MEDALS

Latture, Winkelman, Fair, McGill and Krasny Take Second Places

The biennial convention of Pi Kappa Delta "Province of the Lakes" was held here last Thursday and Friday. Heidelberg College of Tiffin, O., won first place, and the Ypsilanti contestants took second in the convention. Three types of contests were participated in—debate, oratory and extemporaneous speaking.

The convention was opened by a word of welcome from President Charles McKenny. This was followed by a short business meeting. Drawings in men's and women's debates by the nine colleges from Ohio, Pennsylvania and Michigan came next.

James Latture and Elmen Winkelman, comprising one of M. S. N. C. debate teams, represented the college well indeed. After winning one debate and losing another on Thursday, they won five successive debates on Friday. This feat placed them in the finals against Heidelberg. By losing to Heidelberg in the final debate, they took second place.

The other men's team for M. S. N. C., Carl Brablec and Richard Robb, did not fare so well. After winning from Detroit City College, they were eliminated by Michigan State in the third round of debates.

Mary McGill and Clinton Fair placed second in women's and men's extempo speaking, respectively. Their work is to be commended when five of the leading speakers from various colleges were entered in each contest.

Orators to speak for Ypsi were William Nolan and Evelyn Krasny. Miss Krasny's oration, "The Sheep of Panurge," won second place. Mr. Nolan with his oration, "Woodrow Wilson, President," failed to place.

The social feature of the convention was a banquet, held on Thursday night at the Huron Hotel. All of the delegates were present.

The final placings in the convention were: Men's debate, first, Heidelberg, second, Ypsi; women's debate, first, Michigan State College, second, Heidelberg; men's extempo, first, Heidelberg, second, Ypsi; women's extempo, first, Kalamazoo College, second, Ypsi; men oratory, first, Heidelberg, second, Grove City, Pa.; women's oratory, first, Heidelberg, second, Ypsi.

MR. QUIRK SPEAKS ON EUROPEAN TRIP

Mr. Daniel Quirk of Ypsilanti who spoke in vespers on April 17, told of seeing Europe in an unusual way. The first trip described was one in which Mr. Quirk and his son traveled through the Chateau district, and visited Rouen by water in the boat "Week-End."

The second trip, which was last summer, Mr. Quirk walked, with a Viennese student as a guide. In order not to attract attention as a tourist, both wore the costumes of the country-folk—plumed hat, short coat, knee breeches, gay socks, and huge shoes. The speaker had his costume there to show to the audience.

Dr. Harry L. Smith, associate professor of physics, will act as chairman of the Physics-Astronomy-Chemistry section of the Michigan Schoolmasters' Club which meets in Ann Arbor on Friday, April 26. On April 19 he will speak before the men's club of the Ida Stiles Methodist Church of Jackson.

THE ABILITY TO SPEAK

WHAT more tragic comment can be made of a person than: "He seems to know his 'stuff', but he can't put it across"? Yet how often we hear this said. One can scarcely name an undertaking of consequence which during its development has not needed someone to explain it and interpret it to others. Evidences of this may be plainly seen in the history of the world. All great movements have had their fiery, or golden tongued orators. The voice of the convincing speaker draws a following to him like magic.

One has only to read the speeches of the great orators and debaters in our own early political history to feel the power which these men exercised over the people of that period. And, although the spread of the newspaper service over the country and the influence of rapid means of communication may have robbed us of the "soap-box" orator, people still turn out in large throngs to hear lecturers on various subjects. Even in our rather blasé present day, there is no estimating the amount of influence which the masterful voice of Herbert Hoover had over the millions of radio listeners during the last political campaign.

Our educational system has almost since its beginning recognized the importance of the ability to speak and has made forensic work a part of the curriculum. Evidence that this accomplishment is of still more importance today is seen in the truly large amount of debating and oratorical activity which is carried on in the high schools, the colleges, and the universities of this country.

Michigan State Normal College, a pioneer in education, has long had a highly developed speech department. That its good work is still continuing is shown by the fine showing which the Ypsilanti contestants made recently in the "Province of the Lakes" conference, held here under the auspices of Pi Kappa Delta, the national forensic fraternity.

The instructors and coaches of that department deserve no small amount of praise for their work. The participants, who have given much of their time and effort, should receive our vote of thanks, for they have held high the standard of the Normal College in a contest in the "art of speaking."

A CHANCE FOR SERVICE

THERE is without a doubt not a student on the campus but who would do his bit for Michigan State Normal College, if his services were badly needed. Witness the many who are giving of their precious time already in various lines of activities, such as athletic competition, speech work and club membership.

A call was made last week for the services of ten or twelve men not in athletics to act as a central group in an experiment dealing with the pulse rate of those taking part in athletics. So far there has been no response from the men students enrolled on a general course. Perhaps they failed to see the notice in the Normal News.

The college through its physical education is highly desirous of carrying on such experimental work. This is one of those opportunities to be of service with no grand stand applause as a reward. Mr. McCulloch says that those willing to help should come to the gymnasium between 3:30 and 4:30 on Tuesday and Thursday for a short time each of the two days. Are there ten men interested in helping this college rank among those who carry on educational experimental work? We know there are; just report at the gym to Mr. McCulloch.

TALKS ON ETIQUETTE

AN editorial which appeared in a certain college paper recently said: "College students use less of what they know than any other class of people." The article went on to point out how this was particularly true with regard to everyday manners. Perhaps that is being a little harsh with the collegian, but there is no doubt that his or her manners will stand brushing up.

Last year a series of talks on etiquette were given on the campus for both men and women. These were well attended, showing that the student body is conscious of deficiencies along this line, and anxious to correct them.

This year a series of talks is being given to freshman women only, on the same topic.

The News is interested in seeing this valuable piece of work extended to take in the entire campus again, and will gladly cooperate to bring about a movement of such value to the student body.

YOST COMES TO YPSI

Those men who failed to hear Fielding H. Yost speak at the Men's Union meeting missed what is undoubtedly one of the rare treats of the year. "Michigan's" coach gave a worthwhile talk setting forth some of the fundamentals necessary for successfully living with others, and obtaining happiness in life.

ARM OF HONORS INSTALL OFFICERS

The regular meeting of the Arm of Honor fraternity was held Monday evening. The new officers were installed as follows: Lord high, Edgar Kullman; commander, Ross Gordon; vice-commander, J. Collins Taylor; scribe, L. Spencer Edwards; treasurer, James Eisele; chaplain, Joseph Bradley; sergeant at arms, Rex Tuttle. Walter Dierkes and L. Spencer Edwards retained their offices as house president and corresponding secretary respectively, their tenor of office being one year.

Plans for the annual spring party were placed in the hands of committees. A committee was also appointed to take care of the A. of H. entrance in the Kollege Komedey. Charles Snow, Edgar Ericson and Arthur Stanfield were repledged on their return to school.

STUDENTS CHOSEN AS STYLE MODELS

Students have been selected by the Dean's office to act as style models in the Style Show and Clinic held Wednesday. Miss Pauline Post of the J. L. Hudson Company was in charge.

There were nine girls to act as size models; five color models, representing the extreme blonde, extreme brunette, the tailored or athletic type, the medium type with mouse colored hair and gray or green eyes, and the auburn type. There were four line models, the tall-thin, short-thin, tall-stout, and short-stout.

APPOINTMENTS

April is proving to be a busy month in the appointment office, as shown by the following list of teachers placed:

Elman Winkelman—Plymouth.
 Lorene Barton—Hillsdale Co. rural.
 Clarence Taft—U. of Oklahoma.
 Nellie Canther—Custer Twp. rural.
 Iva Cahill—Speaker Twp. rural.
 Elizabeth Coyle—Mt. Clemens.
 Harriet Hazlewood—Millington.
 Catherine Workman—Deckerville.
 Beatrice VanEpps—Columbiaville.
 Burdette Harris—Columbiaville.
 Hazel Wentworth—Dryden, rural.
 Florence Greig—Mt. Clemens.
 Ethel Joslin—Napoleon.
 Kathryn Morgan—Swartz Creek.
 Mildred Andrews—Flint.
 Ruth Wilson—Crandon Inst. Mon-tevideo.
 Ivrc Alyea—Detroit.
 Mildred Faulkner—Detroit.
 Hope Hathaway—South Lyon.
 Ruby Sogge—Keego Harbor.
 Florence Richards—Adrian.
 Lucille Williams—Adrian.
 Geneva Griffith—Adrian.
 Marian Robertson—Adrian.
 Florence Harwick—Detroit.
 Doris Schwichtenberg—Detroit.
 Ruth Filkins—Livingston Co. rural.
 Myrna Merriman—Adrian.
 Florence Russell—Detroit.
 Helen Gorsline—Dansville.
 R. J. Zimmerman—Keego Harbor.
 Frances Locke—Royal Oak.
 Christena Gray—Plymouth.
 Lydia Asikainen—Detroit.
 Grace Werstovshek—Detroit.
 Mrs. Gertrude Ealy—Auburn Hts.
 Faith Fisher—Howell.
 Ruth Maze—Albion.
 Grace E. Lee—Wayne.
 Helen Burbank—Bad Axe.

Miss Helen Barrett, director of the nursery school at the Neighborhood House, Detroit, will be in charge of the nursery school to be conducted at the Normal College this summer. This is the third year that a nursery school has been held during the summer term. Mrs. Elizabeth Gath Ward of Newark, N. J., will have courses in visiting teacher work.

EXCHANGES

University of Texas:

The 1929 Cactus, Texas University annual, will cost \$25,000, according to its board of editors. The book contains 532 pages and will be one of the largest annuals ever published by any educational institution in the country. More than three thousand have been ordered.

Purdue University:

Governor Harry G. Leslie has offered a cup for the best essay written by a Purdue student. The cup, together with the George Ade cup for the best short play and other awards given by well-known men, will be presented at a literary banquet to be held in May.

University of Minnesota:

Debaters of the University of Minnesota recently took to the air to reach Chicago to argue with representatives from Northwestern University and the University of Illinois. They claim the distinction of being the first debaters in the country to fulfill speaking engagements by using an airplane.

Emphasizing the difficulty of learning a foreign language, without the aid of expertly directed instruction, the National Home Study Council, Washington, D. C., quotes the complaint of a Frenchman, who was attempting to learn English, without the aid of books or an instructor. He said:

"When I discovered that if I was quick, I was fast; if I was tied, I was fast; if I spent my money too freely, I was fast, and that not to eat was to fast, I was mere, or less, discouraged. But, when I was confronted by this sentence: 'The first one won one-dollar prize'—I gave up trying to teach myself and decided to take up English through the medium of home study."—Purdue Exponent.

Michigan State College:

The twentieth anniversary of the founding and the beginning of the twenty-first year of the publication of the Michigan State News was marked by their April 12th issue. The State News seems to have followed somewhat the growth of the college. In 1909 there was considerable agitation against the manner in which the Lansing papers treated news concerning the college. Therefore on March 10, 1909, the first issue of the Holcad was published, the first all-college paper published for the students by the students.

THETA SIGS HOLD PLEDGING SERVICE

Beta chapter of Theta Sigma Upsilon held an informal pledging at the chapter house on 423 Forest Avenue, Thursday evening, April 11. The following girls were pledged: Gertrude Minnie of Yale, Marjorie Rice of Ypsilanti, Helen Borgoe of Calumet, and Beatrice Newman of Flint.

At the business meeting on the following Monday evening, plans were discussed for initiation and a luncheon to be held soon.

PI DELTA THETAS PLEDGE FIVE GIRLS

Pi Delta Theta sorority pledged five girls into the first degree of its membership Monday evening at the chapter house. Those wearing the sorority green, yellow and gold ribbons are Doris Arnet and Frances LeForge of Ypsilanti, Minnie Lowry of Flint, Charlotte Stenger of Bay City, and Margaret McCarthy of Port Huron.

A short business meeting followed the services. Plans were discussed concerning the sorority spring closed party.

PI KAPPA SIGMAS ELECT OFFICERS

A special business meeting of Pi Kappa Sigma was held at the chapter house Thursday at 6:30 for the purpose of electing officers for the ensuing year. The following were elected: President, Kathleen Bell; vice-president, Mona Barns; treasurer, Ruth Mack; recording secretary, Marguerite Re; corresponding secretary, Pauline Taylor; sergeant at arms, Glendora Nellist; keeper of archives, Jane Hodgins.

Informal pledging was at 7:30. Seven girls are now wearing blue and gold ribbons. They are Grace Stewart of Clinton, Eleanor Kies of Jackson, Barbara Tinker of Ann Arbor, Margaret Shultz of Detroit, Grace Coons of Crosswell, and Harriet Emens of Prattville. The evening was spent in dancing, singing sorority songs and entertainment by the active members. Ice cream and wafers were served.

Formal pledging will take place at the chapter house at 7 o'clock Wednesday.

At the business meeting Monday evening, final plans for the informal spring party were made and plans for the Kollege Komedey were discussed.

Petitions for membership in the Pi Kappa Sigma have been received from the Women's Educational Society at John Milliken University, Decatur, Ill., Pi Sigma Club of John B. Stetson University, Deland, Fla., and Beta Theta sorority of Concord State Normal, Athens, W. Va.

COMMERCIAL CLUB HEARS P. R. CLEARY

A weiner roast started off the activities of the Commercial Teachers' Club for the spring term on Wednesday, April 10, when the club held its regular meeting at the home of President and Mrs. P. R. Cleary.

A very interesting talk was given by President Cleary at the business meeting held after the roast, in which he cited the value of extra-curricular work in college and its relation to the teaching profession. He also gave some splendid pointers on how to increase club spirit.

The play, "Diogenes Steps Out," which is to be given by the Commercial Teachers' Club at the regular assembly of Cleary College, was read by the cast.

DELTA PHIS HOLD PLEDGING FOR TEN

The Delta Phi sorority held ribbon pledging for 10 girls on Monday evening, April 15. The following girls received pledge ribbons: Ruth Dodge, Esther Rupp, Marian Wurster, Lillian Kenfield, Esther VanAken, Dorothea Lawrence, Esther Dixon, Claire Hammock, Elsie Kettlehut, and Dolores Eaton.

Final plans were made for the spring party to be held at the Armory on May 25.

KAPPA PSIS HOLD RIBBON PLEDGING

Ribbon pledging was held on Thursday evening, April 11, by the Kappa Psi sorority at the chapter house. The pledges are Vivian Richards of Bellaire, Meredith McMahon, Lucille Echenroder of Ida, and Irene Soper of Highland Park.

After refreshments were served, Florence Gleason entertained on the piano and several of the sorority girls offered songs and short stories.

DR. THOMSON TALKS TO HOME ECON CLUB

The Home Economics Club held its April meeting on April 10 in the department rooms. After the supper prepared by a committee of the members, there was a short business meeting. Dr. Thomson then addressed the club. Dr. Thomson is the author of a series of syndicate articles upon the general subject of "Why We Do What We Do." He read articles entitled, "Who we don't get along with our mother-in-law," "Why we spank the children," "Why nobody likes an old maid."

Professor Carl E. Pray, head of the history department, and Dr. Elvin L. Valentine, assistant professor of history, will attend meetings of the Mississippi Valley Historical Association at Vincennes, Ind., on April 25.

DR. GARRISON TO BE CONFERENCE CHAIRMAN

There will be a Training School conference held at the Normal College on May 16 and 17. The conference will include the training departments of the state teachers' colleges and at the same time conferences of the departments of education and psychology.

Dr. Noble Lee Garrison, associate professor of education, will act as chairman.

KAPPA GAMMA PHIS GIVE PLEDGE PINS

The regular meeting of the Kappa Gamma Phi sorority was held at the chapter house Monday evening. The officers for next year were elected as follows: President, Alyce Edwards; vice-president, Dorothy Wilkinson; corresponding secretary, Ardis Atwell; recording secretary, June Adams; sorority treasurer, Viola Walters; house treasurer, Virginia Coleman; News reporter, Elizabeth Weiland; scribe, Gladys Atwell.

The remainder of the evening was spent on a delightful program in Social Usage and the pin pledging of Candes Roell of Grand Rapids and Ruth Freeman of Chelsea.

PHI DELTA PI AWARDS MEDAL

At the regular meeting of the Phi Delta Pi fraternity Monday, April 15, Patron Wilber presented Burdette Harris with the fraternity scholarship medal. This medal is awarded to the member receiving the highest scholastic standing in the fraternity during the preceding term. The receiving of this medal is an honor toward which all members strive diligently. The fraternity as a group has a very good scholastic record.

There were numerous details concerning the annual spring party discussed, and committees were appointed to act accordingly. This party promises to be a real surprise, and an important social event.

Two new pledges, F. Arnold and M. Caines, were given their first degree and cordially received by the members present.

MRS. DEEM ENTERTAINS DELTA SIGMA EPSILON

The girls of the Delta Sigma Epsilon sorority and their faculty members, Miss Chloe M. Todd and Miss Agnes Crow, were entertained at a lovely tea by their new patroness, Mrs. Frederick Deem, at her home on West Cross, Thursday, April 11. The nicely appointed tea table at which Miss Chloe M. Todd presided was appropriately decorated in a color scheme of green and cream, which are the sorority's colors, while the living rooms were beautifully arranged with huge bouquets of spring flowers.

At the weekly meeting held at the chapter house on South Summit Monday evening, the following new officers were elected for next year: President, Charlotte Ortwein; vice-president, Eleanor Wolf; corresponding secretary, Mildred Retta; recording secretary, Eleanor Foster; treasurer, Ruth Coup; chaplain, Katherine Harris; sergeant, Carolyn Carlson; historian, Peg Beutter.

THETA LAMBDA SIGMA PLANS SPRING PARTY

The Theta Lambda Sigma sorority held its business meeting Monday evening at the sorority house, 209 Normal. Plans for the closed spring dinner-party were discussed and May 25 was set for the date of the party. Formal pledging was discussed and the date of April 29 was decided for the pledging instead of the Monday night meeting.

The sorority pledged five girls Thursday evening, April 11, at the sorority house. Those who were given the sorority colors, red and black, were Ann E. Moore of Petoskey, Mary Muir of Saginaw, Evelyn Gilson of St. Johns, Katherine Merry of Pontiac, and Beatrice Freeman of Gagetown. Bridge was the diversion of the evening.

The History Club of the college will make a trip to Detroit on May 4, visiting the Packard Motor Company and the Art Institute. Professor Carl E. Pray, head of the department, will sponsor the trip.

Good Season; Moran, Borst
Showing Up Well

By J. E. A.

The varsity tennis team is rapidly rounding into form for the opening meet with Detroit City College on April 27.

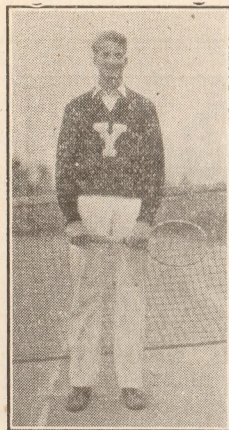

Led by Kenneth DeLong, last year's freshman captain, who is already hitting a fast pace, Ypsi looks like a real contender for the

Ken DeLong

state intercollegiate titles. To make the situation all the more rosy, Joseph Moran and Leo Borst, varsity stars last year, are playing a winning brand of ball which was not displayed last year. These three, DeLong, Moran and Borst, compose Ypsi's big three and it is from these men that Coach Samson must depend for victories.

The netmen are hard hit by the loss of James House and Bob Lang-

Joe Moran

ley, but either Gibson, Bentley and Kempf are expected to come through for the fourth position.

City College will bring a veteran team here, headed by Irving Moss, former state intercollegiate champion and ranking Western Junior. Richard Berg, William McNaughton and Raymond Wilson complete their first four.

First ball game on April 27.

VARSITY BASEBALL SQUAD ANNOUNCED

COLD WEATHER HAMPERS THE PITCHERS; MEN HITTING BALL IN PRACTICE

The Green and White varsity baseball tossers are rapidly rounding into shape for the season opener. King and Quinn are showing up well in the box and should be ready to take their turn along with Eddie Lau, veteran southpaw.

Captain Anglemire will do the bulk of the work behind the plate. Walukiweiz, a catcher, is clouting the ball in practice and Ockerman may put him in one of the outfield positions.

Broadbrook and Quinn have been hitting the pill in practice with much regularity and the Ypsi mentor seems pleased with their work.

The opening game will be played on the local field on April 27 with the University of Toledo.

The members of the squad are: Raymond Anglemire, Howard Broadbrook, Louis Brown, Hugh Carson, Walter Dierkes, Edward Gabel, Ed Schlene, Webster Smith, Floyd King, Edward Lau, Sanford LeClair, Marvin Middlestat, Chester Walukiewicz, Gordon Moffitt, George Muellich, Burnus Page, James Quinn, Allan Sawdy, Edward Jackson, Max Steffens, Raymond Stites, Richard Stuckey, Ralph Thayer, Alden Tomion, Dave McMurray, Allan Giles, Gordon Scott.

YEARLINGS TURN TO DIAMOND SPORT

STRONG HURLING CORPS AND HITTING STRENGTH IS IN EVIDENCE

The prospects for a winning freshman baseball team are fairly good, according to Coach O. T. Doran. Many more candidates are now out for the squad, and a hard fight for all positions on the team is seen.

The pitching staff will consist of Hughes and Glidden of Flint, Michalis, southpaw, from River Rouge, W. Smith of Hillsdale, and Strachan of Ferndale. All of these men have had considerable experience and the yearlings should be well fortified in the box.

Benson of Detroit and Kaiser of Halfway are showing up well behind the plate and one of these two men will probably do most of the backstop work. Mills is another candidate for the job.

Bradley, Budd, Sweet, Bailey, Lucas, Bartlett, and Kubitz are the most promising infielders. Bradley or Budd will play at the initial corner, while Sweet should hold down a job at either second or short. The other positions are uncertain.

Arnold, Owen, Krecke, and Ferrell are battling for the outfield berths.

An eight-game schedule is being arranged. The members of the squad are as follows: Charles Benson, Scott Mills, Howard Hughes, Sewell Glidden, Warren Smith, Russell Michalis, Floyd Strachan, Joe Bradley, Clyde Budd, Arthur Sweet, Fred Bailey, Frank Bartlett, Sherman Lucas, Robert Dunlop, Frank Arnold, Norman Krecke, Alvin Owen, Howard Terrell, Russell Kaiser, Joe Jackson, Walter Kubitz.

FROSH TENNIS SCHEDULE

The yearling tennis team has four dual matches on their 1929 schedule. Two matches with both the City College Freshmen and Highland Park Junior College have been arranged. The schedule is as follows:

May 4—Detroit City College Freshmen, here.
May 11—Highland Park Junior College, here.
May 18—Detroit City College Freshmen, there.
May 25—Highland Park Junior College, there.

INTER-CLASS TRACK MEET HELD TODAY

The inter-class track meet will be held this afternoon at 4 o'clock. Here is a chance for you to come out and look over Coach Olds' prospective track squad in action. The juniors won the indoor class track meet, but the other classes look much stronger out-of-doors and a hard and close meet is anticipated.

Relay team entered in Kansas track carnival.

HOPS O' THE HORSEHIDE

By Ken DeLong

Lou Brown is either going to pitch or play first. Come on, Lou, make up your mind.

Coach Ockerman and his men will be in Chicago for two days, playing the Chicago "Y" on May 16, and Armour Tech, the 17th.

University of Michigan seems to be headed for another conference baseball title. It seems that Fisher is trying to hog all the diamond honors.

Robert "Red" Wayt is manager of the Ypsi baseball aggregation. Tomion, midget second sacker, is a fast and clever infielder and a good hitter.

The Green and White will be a harder hitting team than they were last year.

Detroit City College will not be represented with a baseball team, leaving Western State, Central, and Ypsi to fight it out for the conference crown.

The varsity squad will soon be cut again by Harry Ockerman, in an effort to get it down to a smaller group of men with whom he can give more personal attention.

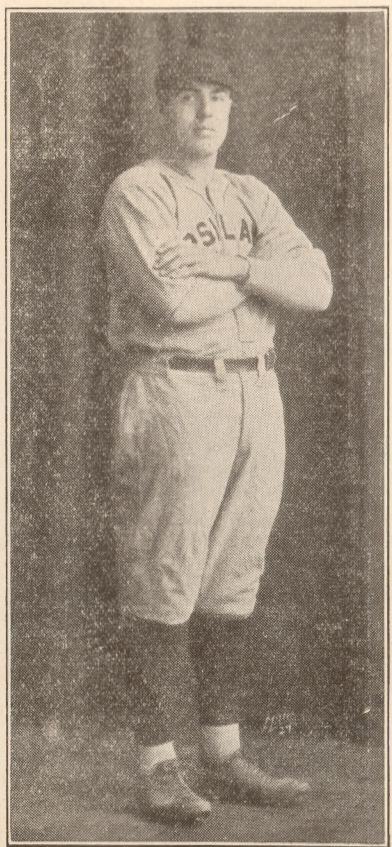

Central State's baseball outlook is none too bright. But that does not always indicate the calibre of a team, you know.

Western trounced Hope College in the first game on this schedule. Lefty Kimball is the ace of the Brown and Gold pitching staff.

George Muellich is hitting much better this year than last.

Hughes and Glidden of Flint and Michalis of River Rouge are crack freshman pitching candidates.

NORMAL ACE WITH DALLAS BALL TEAM

ELI WARD

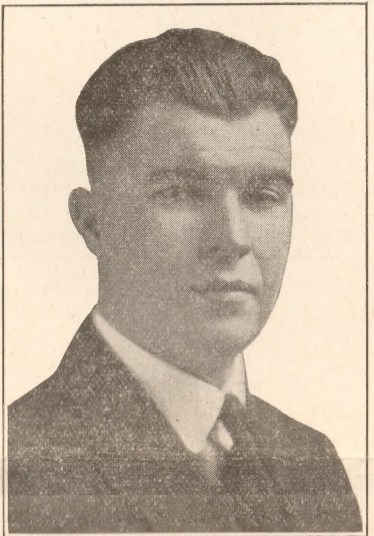

INDIANA UNIVERSITY WINS MEDLEY RELAY FROM YPSI

CONFERENCE GRID TITLE LOOKS GOOD FOR ANOTHER YEAR

SEVERAL VALUABLE PLAYERS
LOST; RYINIE WILL HAVE
VETS FOR NUCLEUS

With two straight conference football titles to his credit, Coach Elton J. Ryneerson is looking forward to the greatest of all Ypsi grid machines this fall. Ryneie will be hard hit by the loss of several outstanding performers, such as Boyd, VanBuren, Gordon, Sawdy, and Abert. Boyd has graduated, while the other four have completed their quota of years in college athletics. Lou Brown, Ryneie's most accurate passer, is going out with a certificate to teach. Boyd, VanBuren and Brown will be greatly missed in the backfield.

Captain Wilbur Gunnerson, Ray

ELTON J. RYNEARSON

Stites and Ken Morrow will occupy three of the backfield berths. The line remains intact with the exception of Abert at one of the wings. Ypsi has two of the best tackles in the state in Wood and Shoemaker. Nap LaVoie will be at his old guard berth opposite the fighting "Andy" Vanyo, who did not compete in conference games last year. Farmer, who alternated with Yoselowitz at Vanyo's guard, is in school. George Stover is a great find at center and will probably be at this berth at the start of the season. Thayer is a dependable center who will also be available.

George Muellich, all-conference end, and either Dierkes, Chanter, or Page will play at the ends.

Coach Ryneerson is already dickering for some games with high class opponents.

All-college party Friday night.

VARSITY RECEIVED IN FINE
MANNER AT SOUTHERN
RELAY MEET

KANSAS RELAYS ATTRACTS M. N. C.

Criger Injured by Shot Put; All
Men Perform Creditably
At Atlanta, Ga.

The Indiana University's distance medley relay team proved too much for the Michigan Normal quartet last Saturday in breaking the old medley relay mark at the Southern relays. The Hoosiers broke the record, which was formerly 10:55 minutes to 10:24. This was one of the fastest medley relay marks turned in by any team in the country for some years.

The Normal athletes were running in the university class, with 10 teams entered. When the time came for the event, only two teams showed up, our varsity relay team and that of Indiana University. Although beaten, the locals made a great showing against one of the greatest Western Conference relay teams.

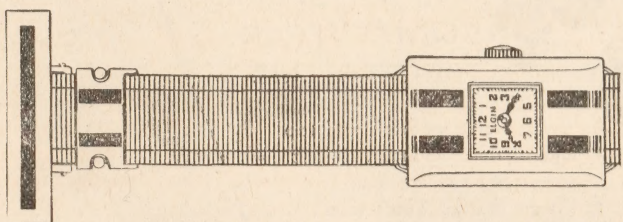

Beck ran one of the greatest races of his career in the 440, covering the distance in 49.7 seconds to give Wolfe a slight lead. Wolfe ran a good 880, but the Hoosier half miler did better and gave his man the baton with a 15 yard lead. Wolfe's time was 2:04 minutes.

Val Criger was accidentally injured before the race when a 16-pound shot hit him in the leg. For a time it looked as though he would not be able to compete, but he displayed a world of grit and fight and finally declared himself capable of running. The injury was a painful one and it slowed him up considerably. Wolfe gave him the baton with a 15 yard handicap and the gritty youth ran as fine a race as could be expected, which was, however, 10 seconds slower than his best time.

Captain Potter, one of the best milers in the country, outran his opponent by a wide margin but could not pick up more than 50 of the 100 yards which he was handicapped. His time for the mile was 4:28 minutes.

Coach Olds will take his relay team to the Kansas Relays this week, where the Green and White stand a fine chance of coping the distance medley relay for college teams. It is questionable whether Criger will be in shape to take part or not.

The Phi Delta Pi won the interfraternity volley ball championship last week, defeating all four of their opponents in a decisive manner.

A clever new combination Pendant and Bracelet, can be worn as a pendant or ribbon wrist watch.

A lasting memento of graduation time.

FORENSIC DEBATING
DECLARED SUCCESS

By C. B.

Professor Harry T. Wood is deserving of credit for the amount of work he did in making the recent forensic convention a success. Credit is likewise due to a group of students interested in public speaking, who faithfully helped in such work as acting as chairmen, timekeepers, etc., for the contests. These figures will show the extent of the Pi Kappa Delta provincial convention. Eighty-two contestants were present; 31 men's debates were run off; 11 women's debates; and respective, men's and women's oratory and extemporaneous speakers.

Professor Wood was instrumental in training a group of participants, who secured five of the 12 medals given out. Those to get medals are James Latture, Elmen Winkelman, Mary McGill, Clinton Fair, and Evelyn Krasny.

News of the convention will be carried far and wide through the medium of Pi Kappa Delta fraternity. Members of the fraternity are hoping that 15 years from now an equally successful convention may be enjoyed in Ypsilanti.

APPOINTMENTS

April is proving to be a busy month in the appointment office, as shown by the following list of teachers placed:

LAMBDA TAU SIGMA
FETES 5 PLEDGES

On Tuesday evening Lambda Tau Sigma held its first meeting of the spring term at the home of the patroness, Mrs. Flint.

During the business meeting plans for the spring initiation was made. The date for homecoming was set for June 1.

After the business meeting, the following pledges were entertained: Cecilia Yott of Midland, Elizabeth Mahoney of Ann Arbor, May Martha Lytle of Pontiac, Janet Mowrey of Highland Park, and Charlotte Cohen of Detroit.

The initiation ceremony will be Monday evening at the home of Mrs. Flint. Following the ceremony, the new members will be entertained at a dinner at the Roosevelt Cafeteria.

The Phi Delta Pis are leading the Arm of Honor in the race for the fraternity athletic championship. The Juniors are holding a slight margin over the Seniors and Sophomores in the race for the class championship.

GYMNASTS ENJOY
ANNUAL SOUTHERN
TRIP DURING MARCH

Early Sunday morning, March 24, the Michigan State Normal College gymnastic team started on an exhibition tour which covered eight states. This vacation trip is an annual event and one looked forward to by the men on the team.

After traveling all day Sunday and Monday, we found ourselves at Cumberland Gap where we stayed over night and Tuesday morning started for Knoxville, Tenn. We found much of interest as we passed through the mountains and flooded areas of Kentucky and Tennessee.

Our first visit was at the University of Tennessee at Knoxville. Here we met Tip Looze and put on an exhibition for one of his gym classes. Our next work was done at Maryville College, where the large gymnasium was crowded to capacity by the entire student body. The gymnasts were called upon to work on the long-horse, side-horse, parallel bars, and mats. The work was well received and the boys received many compliments on their work.

Wednesday morning we started for West Virginia. We did not have an exhibition Wednesday evening, so mountain climbing was in order for Wednesday afternoon. After climbing mountains for two and one-half and three hours, we decided we would rather be gymnasts than mountaineers and started on our way to Princeton, W. Va. where we worked Thursday night. After the exhibition we coached several of the high school boys who were very much interested in the work. Friday we traveled to Richmond, Va., where we worked at the Y. M. C. A. The people here appreciated the work very much and invited the team to come again whenever they planned another southern trip.

Saturday was spent in visiting

TENNIS RACKETS

75c to \$20

CHURCHES

CONGREGATIONAL

The regular lunch and meeting will be held at the church at 5:30 Sunday. Robert Yanke will lead the discussion on "Religious Articles in Current Magazines."

METHODIST

Inter-racial night at the Methodist Church on April 21. Albert Greenlaw, a colored soloist from Detroit, Sinforsoso Padilla, and several representatives of other races will give native songs.

There will be a hike on Saturday, April 20, for the Methodist students. The group will meet at Starkweather at 2:30. Please sign on the paper attached to the poster if you are going. The charge for supper is 25 cents.

GIRLS WILL HEAR

ETIQUETTE TALKS

Freshman girls are attending a course of talks on etiquette sponsored by the Women's League. This week's program consists of two talks, "Little Things Go a Long Way" given by Miss Edith E. Adams, director of the Woodruff School kindergarten, and Miss Mary A. Goddard, professor of botany, and "Etiquette of Travel" given by Miss Helen Dolman, assistant professor of natural science, and Miss Marion F. Stowe, associate professor of speech.

A series of talks on teas was given at the close of March. The concluding series on the etiquette of dinners will be given next week. All freshman girls are required to attend one lecture out of each series. In conclusion, a general freshman assembly will be held.

The O. N. T. will meet at the Roosevelt Cafeteria for dinner on Friday evening, April 19, after which they will meet at Starkweather Hall.

VIRGIL SUBJECT OF LATIN CLUB

This year the work of the Sodality Latina is centering about the works of the poet Virgil, since the year 1930 marks the two-thousandth anniversary of his birth. The banquet, which will occur on May 20, will be in the nature of a Virgil celebration. Grace Rawson of Manchester is president of the club.

FRESHMAN CLUBS

About thirty girls, members of the four freshman clubs, went to Detroit sightseeing on Saturday, April 13. They visited the art museum and the library in the morning, and in the afternoon attended the Bonstelle Theatre to see "This Thing Called Love." The return trip was made lengthy by a blocking of the track, but a change of cars remedied that and all returned safe and happy Saturday evening.

MEN HOLD FIRST SPRING MIXER IN WEST GYMNASIUM

(Continued from page one)
tumbling mat and the parallel bars.

The all-college lightweight champion boxer, Stoner, and his room-mate, French, runner-up in the lightweight contests, put on a two-round go of four minutes of fighting.

The old college boxer who has now gone in the professional ring, "Pat Hooley", or known on the campus as "Mac" McIntyre, met Bouck for a like go.

The Union then brought another professional, "Tiny Tigerflowers" Fann, negro fighter of Ypsilanti and his manager-sparing-partner for a fast encounter.

Much enjoyment was shown at the return of the famous "Rub-Room Quartette" for the evening. Don Joy and Eddie Lau, the only ones left in college, with their pals, "Dave" Conley and "Bob" Barrette, sang several Ypsi songs. They were encored several times.

A mat was then spread for Lucas to win, by a fall in three and one-half minutes, from Oliver in a wrestling match. Neither Layman nor McMurray were able to win in the time allotted for their match.

Following these activities in the gymnasium, the group adjourned to the Training School chapel where they were shown the motion pictures of the championship boxing fights for the last several years.

FIELDING H. YOST ADDRESSES MEN AT UNION MEETING

(Continued from page one)
of reward. "If we produce the cause of a good thing, there is not a chance it will fail."

"We must find our place and fill it; choose our game and play it. You can't make a fox hound out of a bird dog, but you can spoil a good bird dog trying it."

Play and work, the speaker thinks, should be the same. "We should work to get satisfying reactions which is simply play. If you don't love your job, don't worry about it. Someone else will soon have it."

The coach gave three essentials of good service: first, quality; second, quantity; third, method used.

In closing, the speaker stated that there are plenty of big jobs for big men. "A good man is never out of a job. Make yourself so valuable they make you a partner rather than let you quit them. There are plenty of places for the man who has carefully built his body, and who has high ideals and a keen intellect."

Miss Margaret Palmer, formerly missionary among the Mexicans, will talk at the Y. W. C. A. vesper hour on May 1 in Starkweather Hall. Her topic will be, "Work in a Spanish Mission."

Y. W. C. A.

At the vespers of April 10, the new officers of the Y. W. C. A. were installed. In the candle-lighting ceremony, the flame was passed by the retiring officers to those entering, as a symbol of the new responsibility and opportunity given them. Vocal solos were given by Christine McMillen and Miss Helen Dolman.

At the next vespers, April 24, the Girls' Glee Club of Cleary College will present a musical program.

WOMEN'S LEAGUE PRESIDENT GOES TO NORMAN, OKLA.

(Continued from page one)
special emphasis on student government, together with other activities of the association, will be discussed at the convention by speakers from both students and faculty groups, according to Miss Mildred Clark of Oklahoma City, national president of the association.

In addition to the approximately 300 student delegates expected to attend the convention, 15 deans of women from various colleges have intimated that they too will be present.

Another chief purpose of this year's meeting, according to Miss Clark, is to formulate a program to promote higher standards of scholarship through student agencies.

The business meetings of the convention will be divided into three groups, one for the universities, one for the colleges, and one for the denominational schools. The election of the national president and the national registrar for next year will occur automatically at the closing session of the convention on April 20, when next year's place of meeting is chosen. The president of the local women's self-government chapter of the hostess school becomes national president under the rules of the association.

Variations from the program of business outlined for the convention will be enjoyed through the agency of dinners, dances, teas, outings, formal banquets, and open house observance. The entire body of co-eds enrolled at the University of Oklahoma will constitute a gigantic hostess committee. Dormitories, sororities and other organized houses at the university will provide lodgings for the visiting delegates.

KATHERINE MERRY HIGHLY HONORED BY VOTERS' LEAGUE

(Continued from page one)
be held in Washington, D. C., April 22 to 26.

The General Council, which meets once in ten years to discuss programs and policies of the National League, is attended only by the officials of the National League, the regional directors, state presidents, and one other delegate from each state. Miss Merry will be the only college student in attendance. She is given this privilege by vote of the council. The honor is quite without precedence.

The college was requested to send a representative to the council in recognition of the valuable work being done by the college

league in gaining the absentee vote and Miss Merry was the student chosen. She has been asked to speak for ten minutes at one of the meetings. One of the main topics to be considered by the council this year is that of "Facilitating the Vote" and one of three sub-topics under this is the subject of the absentee voter.

ALPHA TAU DELTA HOLDS 'PIE FEED'

Alpha Tau Delta fraternity held a social meeting at the chapter house on Summit, Monday evening, April 15. After the regular business meeting, a "pie feed" was held.
